Seven members of the Northwood Home Extension Study Group met Sept. 12 with Mrs. Clayton Hildebrand, hostess.

Our chairman, Mrs. Gerald Swift opened the meeting with her resignation, as she will be moving away from Grayling. We will be sorry to lose her as a friend and member.

We elected Mrs. Marvel Zimmerman our new chairman and Mrs. Thomas Trenary our Co-chairman. The dates and names of our future hostesses were listed in the secretary's minutes, with Mrs. Russell Cramer having us on October 17, Mrs. Gilbert Wyers, November 21, Mrs. Marvel Zimmerman, December 19, and other names and dates will appear in the future reports. It was decided and approved to hold our meeting only once a month and on the third Tuesday. The dues will be fifty cents (\$50c) each meeting.

The project for the next meeting will be place mats. Each member is to bring a large yarn needle and what ever three color combination of rug yarn they wish to use. The meeting was adjourned and a very nice lunch was served by the hostess.

# Letters To The Editor

October 5, 1967  
LETTER TO THE EDITOR:  
The business district, in my opinion, has certainly never looked better than it has the past week. Don't the people of Grayling and the business men downtown think a permanent mall about 3 feet wide, running from Chestnut Street to the Railroad Tracks, would look very nice?

I certainly would be in favor of such a development downtown, and wish other people would let their ideas be known.

Very truly yours,  
John Alef

October 5, 1967  
LETTER TO THE EDITOR:  
Let Gaylord have their Alpine Theme, and let we people in Grayling have a business district with plantings of trees in a mall down the middle of Michigan Avenue. The decorating group who are in charge of our weekend Carnival have showed us how attractive we could make our business district, and we could be second to none in the north.

Very Truly Yours  
Bill Joseph

October 5, 1967  
LETTER TO THE EDITOR:  
The decorating committee for the Carnival of Color has certainly made it easy to visualize how nice a permanent planting would be down the middle of Michigan Avenue.

I certainly would be in favor of the City Council giving some thought to permanent planting of trees, flowers, and shrubs in the business district.

Sincerely,  
Nels Olson

October 5, 1967  
LETTER TO THE EDITOR:  
I do not know who is responsible for the attractive appearance of our downtown area this week, but it certainly adds a great deal to the appearance of downtown.

Wouldn't it be a great idea to have a permanent mall down the middle of Michigan Avenue from Chestnut Street to the railroad, and have this center mall planted with flowers and trees?

With our new Courthouse at the foot of Michigan, this would give us the finest business district in Northern Michigan.

Sincerely yours,  
Dewain A. Hall

# Luau Party Ends Golf Season

**GOLF TROPHY WINNERS:** — (left to right) Mrs. Harry Souders, Mrs. Earl Longworth, Mrs. Gerald Burns, Mrs. Charles Vajda, Mrs. Harold Walker, and Mrs. Bruce Smith.

**COMMITTEE FOR LUAU** — (from left to right) — Mr. and Mrs. Raymond Slusser, Mr. and Mrs. Don Akers, and Mr. and Mrs. Earl Longworth (Chairman).

To the swaying strains of an Hawaiian steel band and a traditional lei presentation, 44 guests were welcomed to the Islands at the Grayling Country Club on Saturday evening when the Golf Auxiliary entertained with their "annual end of the season party."

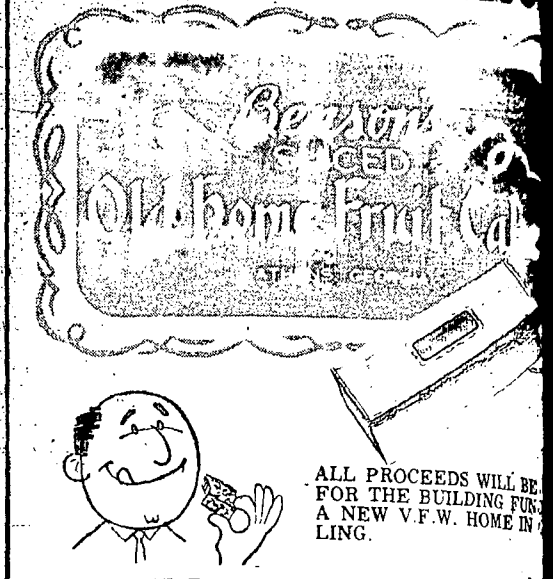

Chairman was Mrs. Earl (Marilyn) Longworth, ably assisted by Mrs. Raymond (Eunice) Slusser, Mrs. Don (Rose) Akers, and their very helpful husbands.

The Club was very gaily decorated with Polynesian umbrellas suspended from a ceiling of fish nets filled with sea creatures, bird cages, and fruit.

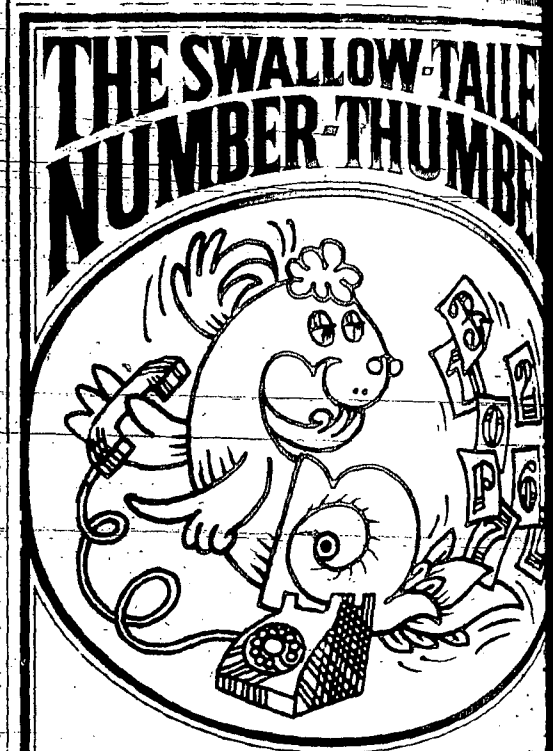

Rattan screens, loops of palm leaves and gay beading encircled the room. The serving tables were adorned with an original grass shack, palm trees, Hawaiian band figures, fruit and swaying hula girl and boy.

A social time was followed by a very good Hawaiian dinner served by Helen Lovell and her assistant, Mrs. William (Gloria) Kraus, Auxiliary President, introduced her officers and committees for the year and a sounding round of applause was given for their very fine efforts and accomplishments for the year. The President then presented the following awards for the year 1967: Championship — Mrs. Bruce (Corrine) Smith;

## National Bible Week 1967

This year the week of October 15 through Oct. 22 will bring the observance of National Bible Week. The theme of the occasion will be "The Bible: Good News for Modern Man." Vice-Admiral Sam F. Raborn, Jr., national chairman of an interfaith program for encouraging use of the Bible said that this theme, "... seems to be particularly significant because of the difficult and deeply awesome responsibilities which our country is facing in its staunch support of man's basic freedom. Certainly the teachings of the Bible are doubtless applicable and bring inspiration, strength and understanding to the peoples of the world and their representatives the Protestant, Catholic, and Jewish faiths, who with others, are opposing the resurgence of the forces of evil."

The sanctity of man and the value of a single human life are basic tenets of Christianity as are common, understanding and generosity directed toward those less fortunate or suffering affliction. The Bible demonstrated the meaning of these values and the strength of faith during the years of history. The story lies within the pages of the Bible available to each of us as an unfailing source of inspiration, guidance, and strength. Let each of us make this observance of Bible Week a time for reflection that this book still carries in its pages the light that can show man the way to live with his neighbors. It is the light of life that none of us can do without.

William Lee is the name of the son born to Pvt. and Mrs. Eben Lee at Mercy Hospital, September 24.

Two Detroit youths and their girl companion ended a wild three-day tour of Northern Michigan with other people's cars and gas when they were captured at Kalkaska by the State Police, Friday. The first stolen car belonged to the father of one of the trio. They drove this car as far as Flint, where it was abandoned when the motor went bad. They stole another car in Flint, driving it as far as Standish. They stole the third car there and drove within four miles of Grayling, and left it there. ## Bows vs. Guns In Rich Deer Hunting Contest

Michigan's estimated 70,000 skilled archers now have the opportunity to join firearms hunters in this year's "Michigan Outdoors" Deer Hunting Contest. Prizes this year, as in the past, will be worth thousands of dollars to the winners.

Entry of Michigan's archers is a first, according to Mort Neff, host of the "Michigan Outdoors" television show. Competition has traditionally been among firearms aficionados only.

Neff—whose TV show is sponsored by Leonard Refineries, Inc., and Auto-Owners Insurance Company—points out that anyone with a valid Michigan deer license is eligible for the contest. He stressed, however, that the hunter must enter the contest before he bags his buck. Free entry blanks are available from any participating Leonard Community Service Station or Auto-Owners Insurance agent.

The contest winners will be invited to appear on the Mort Neff "Michigan Outdoors" television show at the end of the hunting season. Each weekly show during the season will keep viewers informed of the current contest leaders.

**City Manager Attends Conference** NEW ORLEANS—This has been a year of crisis for cities big and small. To put the crisis in perspective a record number of city managers will meet here October 8-12 for the 53rd annual conference of the International City Managers' Association.

During four days of sessions at the Roosevelt Hotel—more than 850 urban administrators from Canada and the United States will examine key administrative and management problems—labor relations, fiscal reform, city school relations, civil rights, increasing the individual's involvement in city government.

At seven concurrent workshop sessions managers will discuss innovations aimed at solving continuing urban problems. These innovations center on: PPBS budgeting, the police in riot control, knowing the "ins" and "outs" of the federal establishment, building state responsiveness, reaching the discontented minority citizen, modern fiscal reform, and dealing with the union professional.

Since its inception in 1912, more than 2,000 cities in North America—including 85 in Canada—are operating under the council-manager plan with more than 1,800 communities in Western Europe, including England, Norway, Sweden, West Germany, Ireland and Finland using it. An average of 75 cities convert to the plan each year.

City Manager Harold Cliff is attending the conference.

**Pvt. Charles Decker At Ft. Knox, Ky.** FT. KNOX, KY., Sept. 29—Army Private Charles E. Decker is assigned to Company C, 10 Battalion, 5 Brigade, here in the United States Army Training Center, Armor (USATCA).

Interspersed with constant emphasis of proper physical conditioning, diet, rest and health habits, will be ample opportunity to utilize USATCA's many and varied recreational and religious facilities.

Following the completion of basic training, Pvt. Decker, who is the son of Mr. and Mrs. Charles E. Decker, of 111 Villas St., Grayling, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

**In 5 years  
you can save  
over \$140.00  
with a new  
Gas dryer.**

Work it out for yourself. It takes less than 2¢ to dry a load of clothes with Gas. And you can dry 5 loads in a Gas dryer for the cost of drying 1 with electricity.

Based on the number of loads an average family dries, there's a saving of \$28 or more a year—\$140 in 5 years. Your Gas dryer can actually pay for itself in 5 years with the money saved in operating costs.

There are no hidden expenses, either. Installation is free. Maintenance comes to less than 20¢ a year, on the average (or the amount you can save on a few loads).

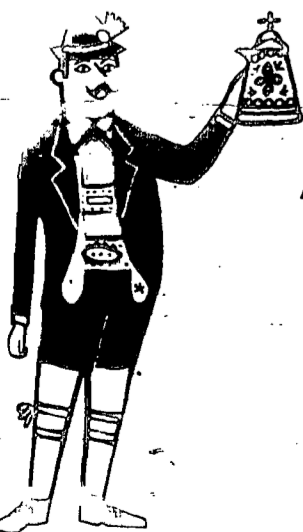

No wonder 7 out of 10 families that now have dryers have Gas dryers. Money aside, Gas finishes loads up to 10 minutes faster, so you can get more loads through in a day. Clothes come out fresh, soft and looking like new, including all your permanent-press things.

Gas makes the big difference... costs less, too. Not just for 5 years, either; but as long as you use it. See the latest dryer models at dealer or Gas Company showrooms.

Isn't it time you bought her a new Gas dryer?

The Scots, who finished in a second-place deadlock in the Michigan Intercollegiate Athletic Association race a year ago, are expected to be in the thick of the championship race again this fall. ## CHAMBER APPRECIATES

To those who worked to make the Carnival of Color a success, we say thank you.

Donations from merchants were collected by Mrs. Marvin Miller, Jim LaGrow, Wm. Kraus and Mrs. Ray Elsey. Part of the money collected went to radio and newspaper publicity which was handled by the Chamber office.

The Volunteer Fire Dept., under the supervision of Kip Paendick put up and will take down the street banners.

Pat Fowler was in charge of the street booths operated by the various organizations. The archery range was handled by the Boy Scouts under the direction of Ken Carlisle, and targets, bows and arrows were loaned, courtesy of Bear Archery. The Skeet-Trap shooting was handled by Phil Miller.

Clyde Borchers handled the Free Pontoon rides at Lake Margrethe. The Grayling State Bank donated the cost of the maps that were distributed throughout the area. The map itself was drawn by Polly Mikesell.

The downtown street decorations committee was headed by Mildred Chew. Mrs. Chew should really be given a big hand for the many hours she and Jim spent on this project. The committee consisted of Jim Chew, John Alef, Wm. Kraus, James Duley, Roy and Marge Roper, Don and Lydia Welsch, Chum Longworth, Patricia Wiseman, Earl Sarten and Eugene Smith.

Grayling Reel Co. donated the reels which held the Michigan Ave. trees in place. John Wittenberg volunteered the help of six boys from Camp LaVie to help cut, load and haul the trees. Stanley Madsen and Clarence Holcomb donated trucks for transporting the trees.

The street music was courtesy of Dawson's. Color Tour signs were put up by Chum Longworth. The camper trailer used for the information center downtown was donated by Bill Scheer.

There were many others who helped on this project one way or another and we certainly appreciated their help and look forward to a bigger and better Carnival of Color next year.

Your Chamber of Commerce

## WORTH TALKING ABOUT

"Freedom to choose is the essential freedom, whether in politics, religion, management of one's personal affairs or the market place. What we call an open society is one that provides opportunity for all kinds of people, all kinds of talents, all kinds of aspirations. So long as individual men have freedom of choice—which is necessary to release their energies, afford them a sense of fulfillment and give free rein to the vitality that permits an open society and a free enterprise system to operate—and so long as no group in society acquires privileges or immunities not open to all, no private organization can fall heir to the compulsive power of government."

## A SENSE OF SECURITY

Money in a savings account? Money in a checking account? Money in your pocket? These all add up to a fine sense of security. But as everybody knows, the security of money can disappear. The stock market drops, expenses chew up your savings.

There's another kind of security that is not based on the fleeting, material treasures of life. It is the security needed when sickness strikes, a son or daughter disappoints us, or death takes a loved one. This security chases out doubt and fear. It enables us to go right on living day by day, certain that we will not walk alone. In fact, God has said that He will never leave us nor forsake us.

Discover for yourself this security! In your church you can find those eternal values if you trust in the security of Him who cannot fail.

Before you move in know the facts about insurance

Fact 1: Fire insurance alone on home and contents is not enough. Your home could be destroyed by windstorm, explosion or other hazard.  
 Fact 2: Theft coverage of your possessions, at home and away, should be included.  
 Fact 3: A lawsuit judgment against you could cost you everything you own. You need liability insurance.  
 Fact 4: You get all this and more in one Homopowers policy... with one low premium!
